

Symbol:	PC-G2.1-PCB
----------------	-------------

Manufacturer:	NINIGI
----------------------	--------

Product specifications

Connector:	socket
Type of connector:	DC supply
Kind of connector:	male
Contact size:	5,5/2,1mm
Plug outside diameter:	5.5 mm
Plug inside diameter:	2.1 mm
Connector variant:	with on/off switch
Mechanical mounting:	for panel mounting
Length of metal part:	9 mm

Electrical mounting:	THT
Panel cutout diameter:	8 mm
Spatial orientation:	straight

Additional information

Gross weight:	0.003 kg
----------------------	----------
